IMPORTANT INFORMATION ABOUT YOUR HOME

28th February 2020

Dear XXXXXX,

Since July 2019 the council has been in dialogue with the residents of Harriott, Apsley and Pattison House about the future of your estate. We feel that the regeneration proposals that are presented in the enclosed document are the best solution to delivering new and better quality homes for exisiting residents, as well as those in housing need on the council's housing register.

Before any regeneration can proceed, the council needs to carry out a ballot where eligible residents will have the opportunity to vote on the proposed development. According to our records you are eligible to vote in the ballot. Before you cast your vote, we want you to fully understand the council's offer to residents as part of the regeneration proposals. Therefore please find enclosed your 'Landlord Offer' document. Please read this document carefully, as it contains important information about your future housing and details on the voting process.

The council is pleased to announce that the official ballot will open from **Wed 18th March** to **Thurs 9th April 2020 at 5pm.** You will receive ballot documents via the post from an organisation named CES (Civica Election Services) on 18th March. CES are an independent body that have have been appointed by the council to organise and run the ballot. If you have any questions relating to the the ballot then please contact CES directly, their contact details can be found in the landlord offer document on page 19 and 20. This letter is addressed to those in your property the council understands to be eligible to vote in the ballot. If you think we may have missed someone, then please let us know immediately using the contact details above, so we can verify their eligibility.

If you would like to know more about the regeneration proposals and ask any questions about the design of your estate or the rehousing options, the council would like to invite you to attend the next series of consultation drop-in sessions. These will be **on site** (next to Harriott, Apsley or Pattison House) **on Tuesdays and Thursdays using a council branded bus**. The bus will be located inside the estate, but due to limited parking availability, we may have to park the bus at different locations on various dates. **We will also hold certain consultation days at the Harford Street Multicentre**, 115 Harford Street, London, E1 4FG.

The drop-in sessions will take place on the following dates and times:
