Community Conversation: Site discussion

Back Church Lane, E1 1NT

Site Photo Position

Key
Site boundary, Primary Road, Railway, Bus Route, Underground, DLR, Bus Stop, Cycle Route

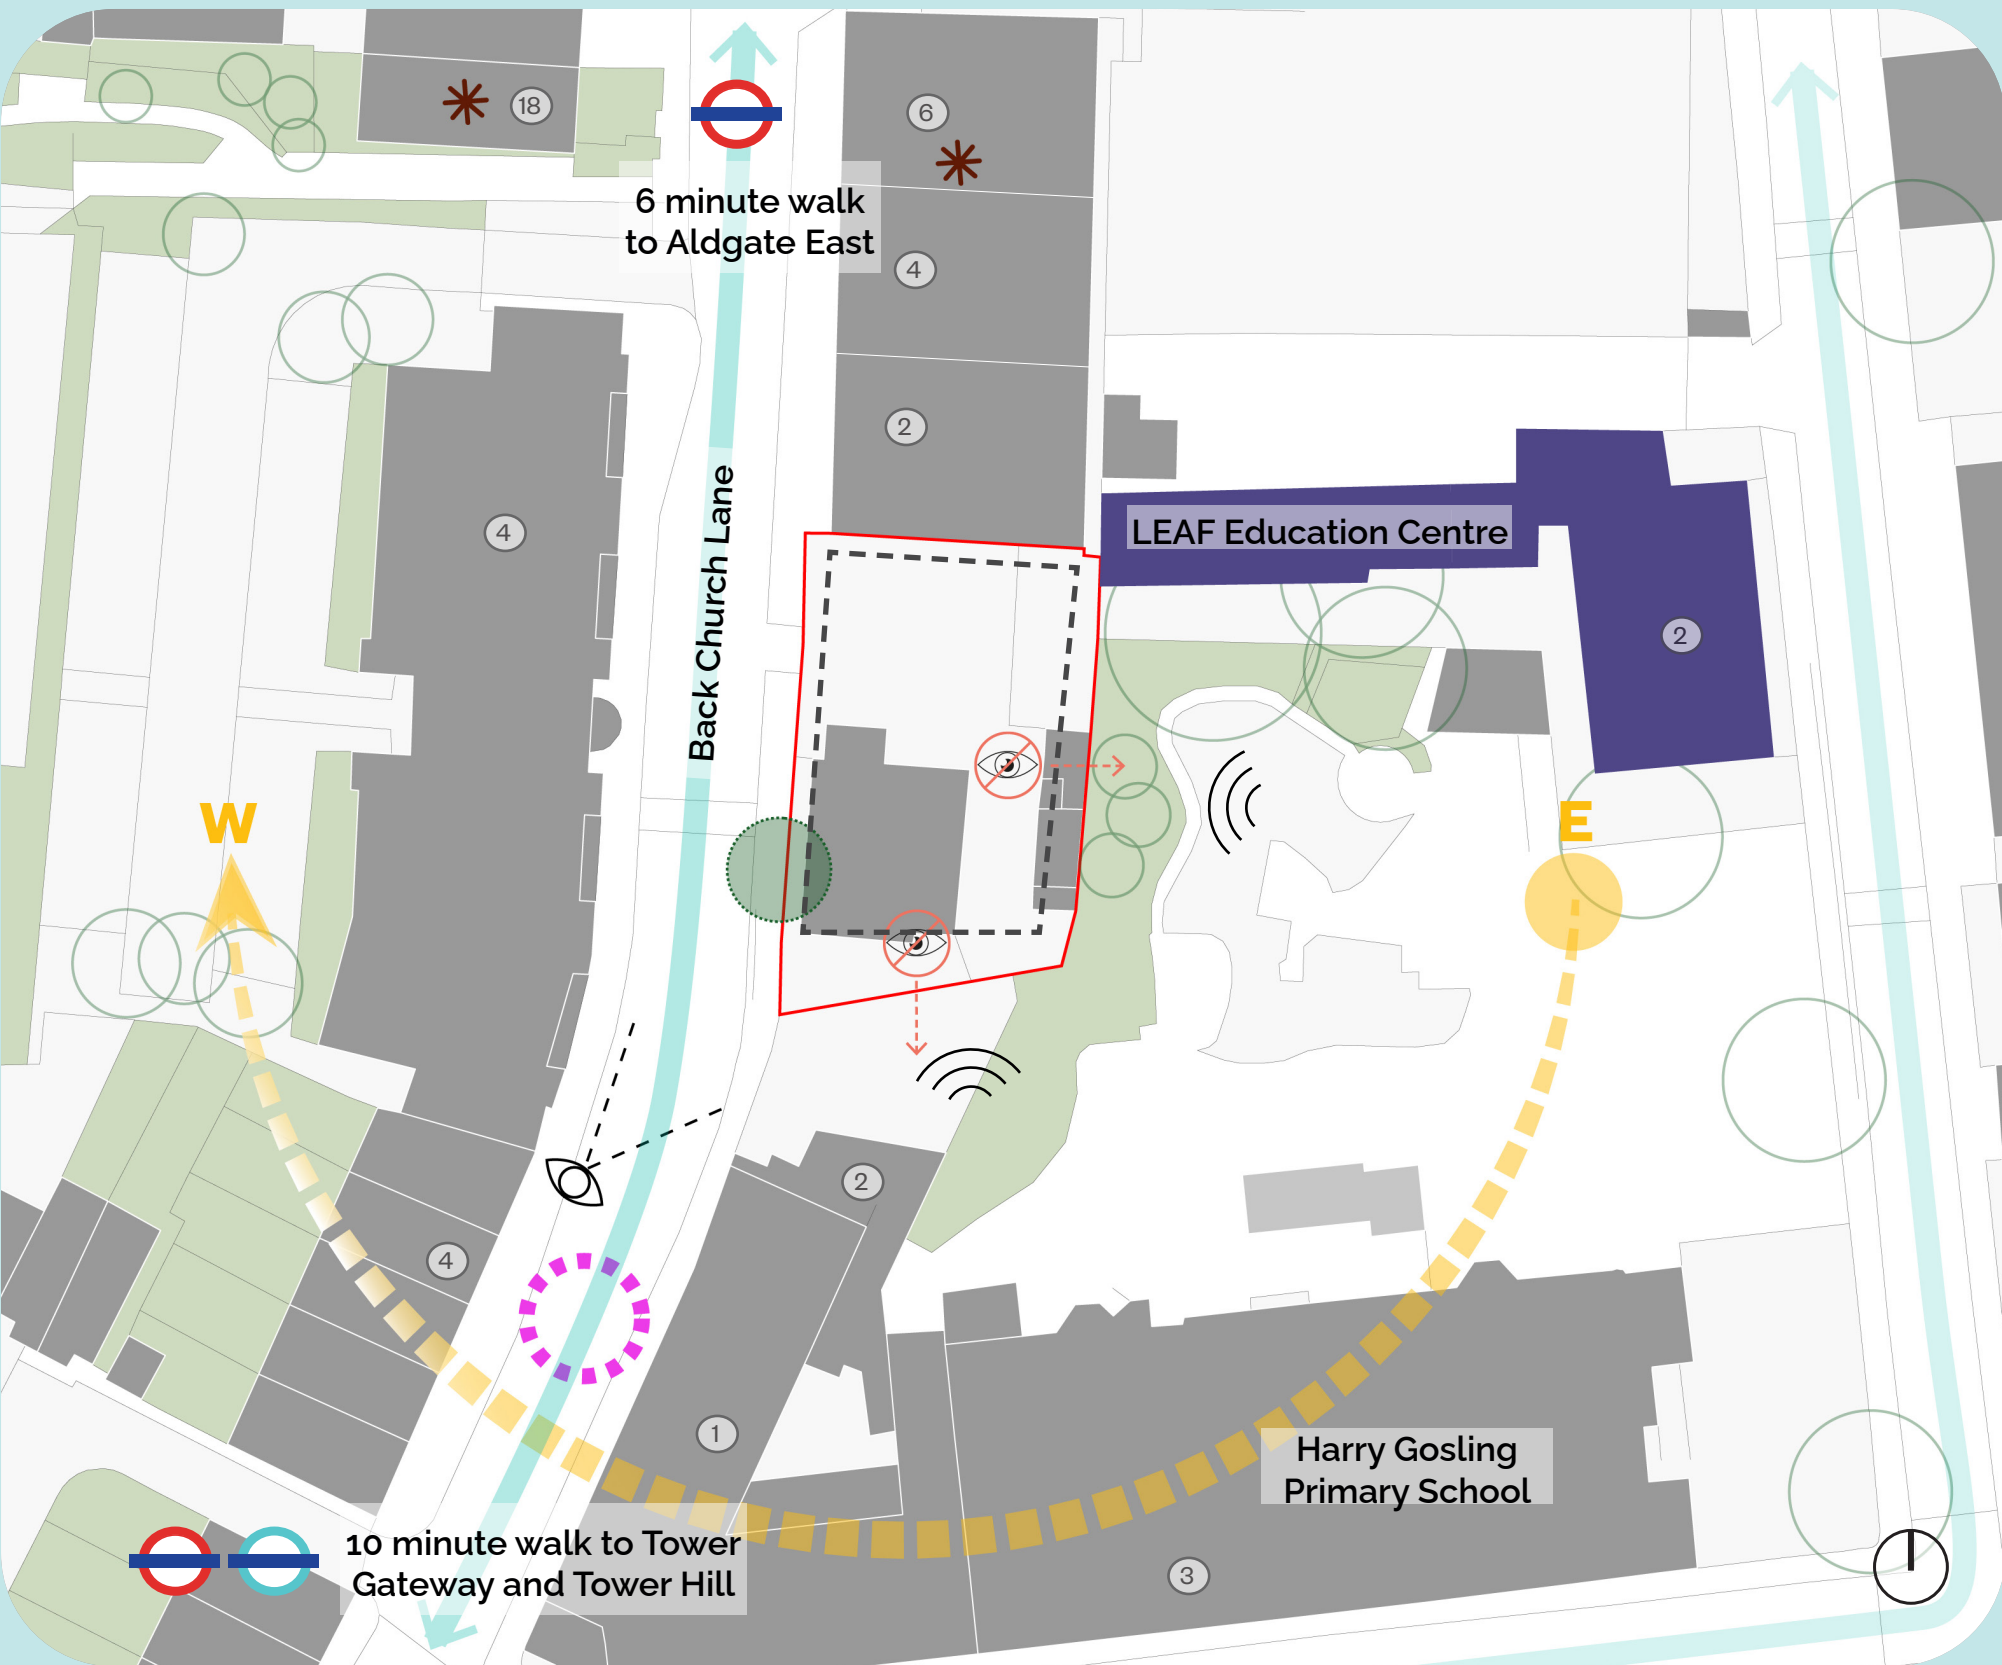

The site is located on Back Church Lane, neighbouring Wells Lawrence House (Diabetes UK) and Harry Gosling Primary School.

The site is in close proximity to Aldgate East Station and other public transport links (bus stops, underground and DLR stations).

View from Back Church Lane. The site is currently occupied by a vacant 3-storey building and a private car park.

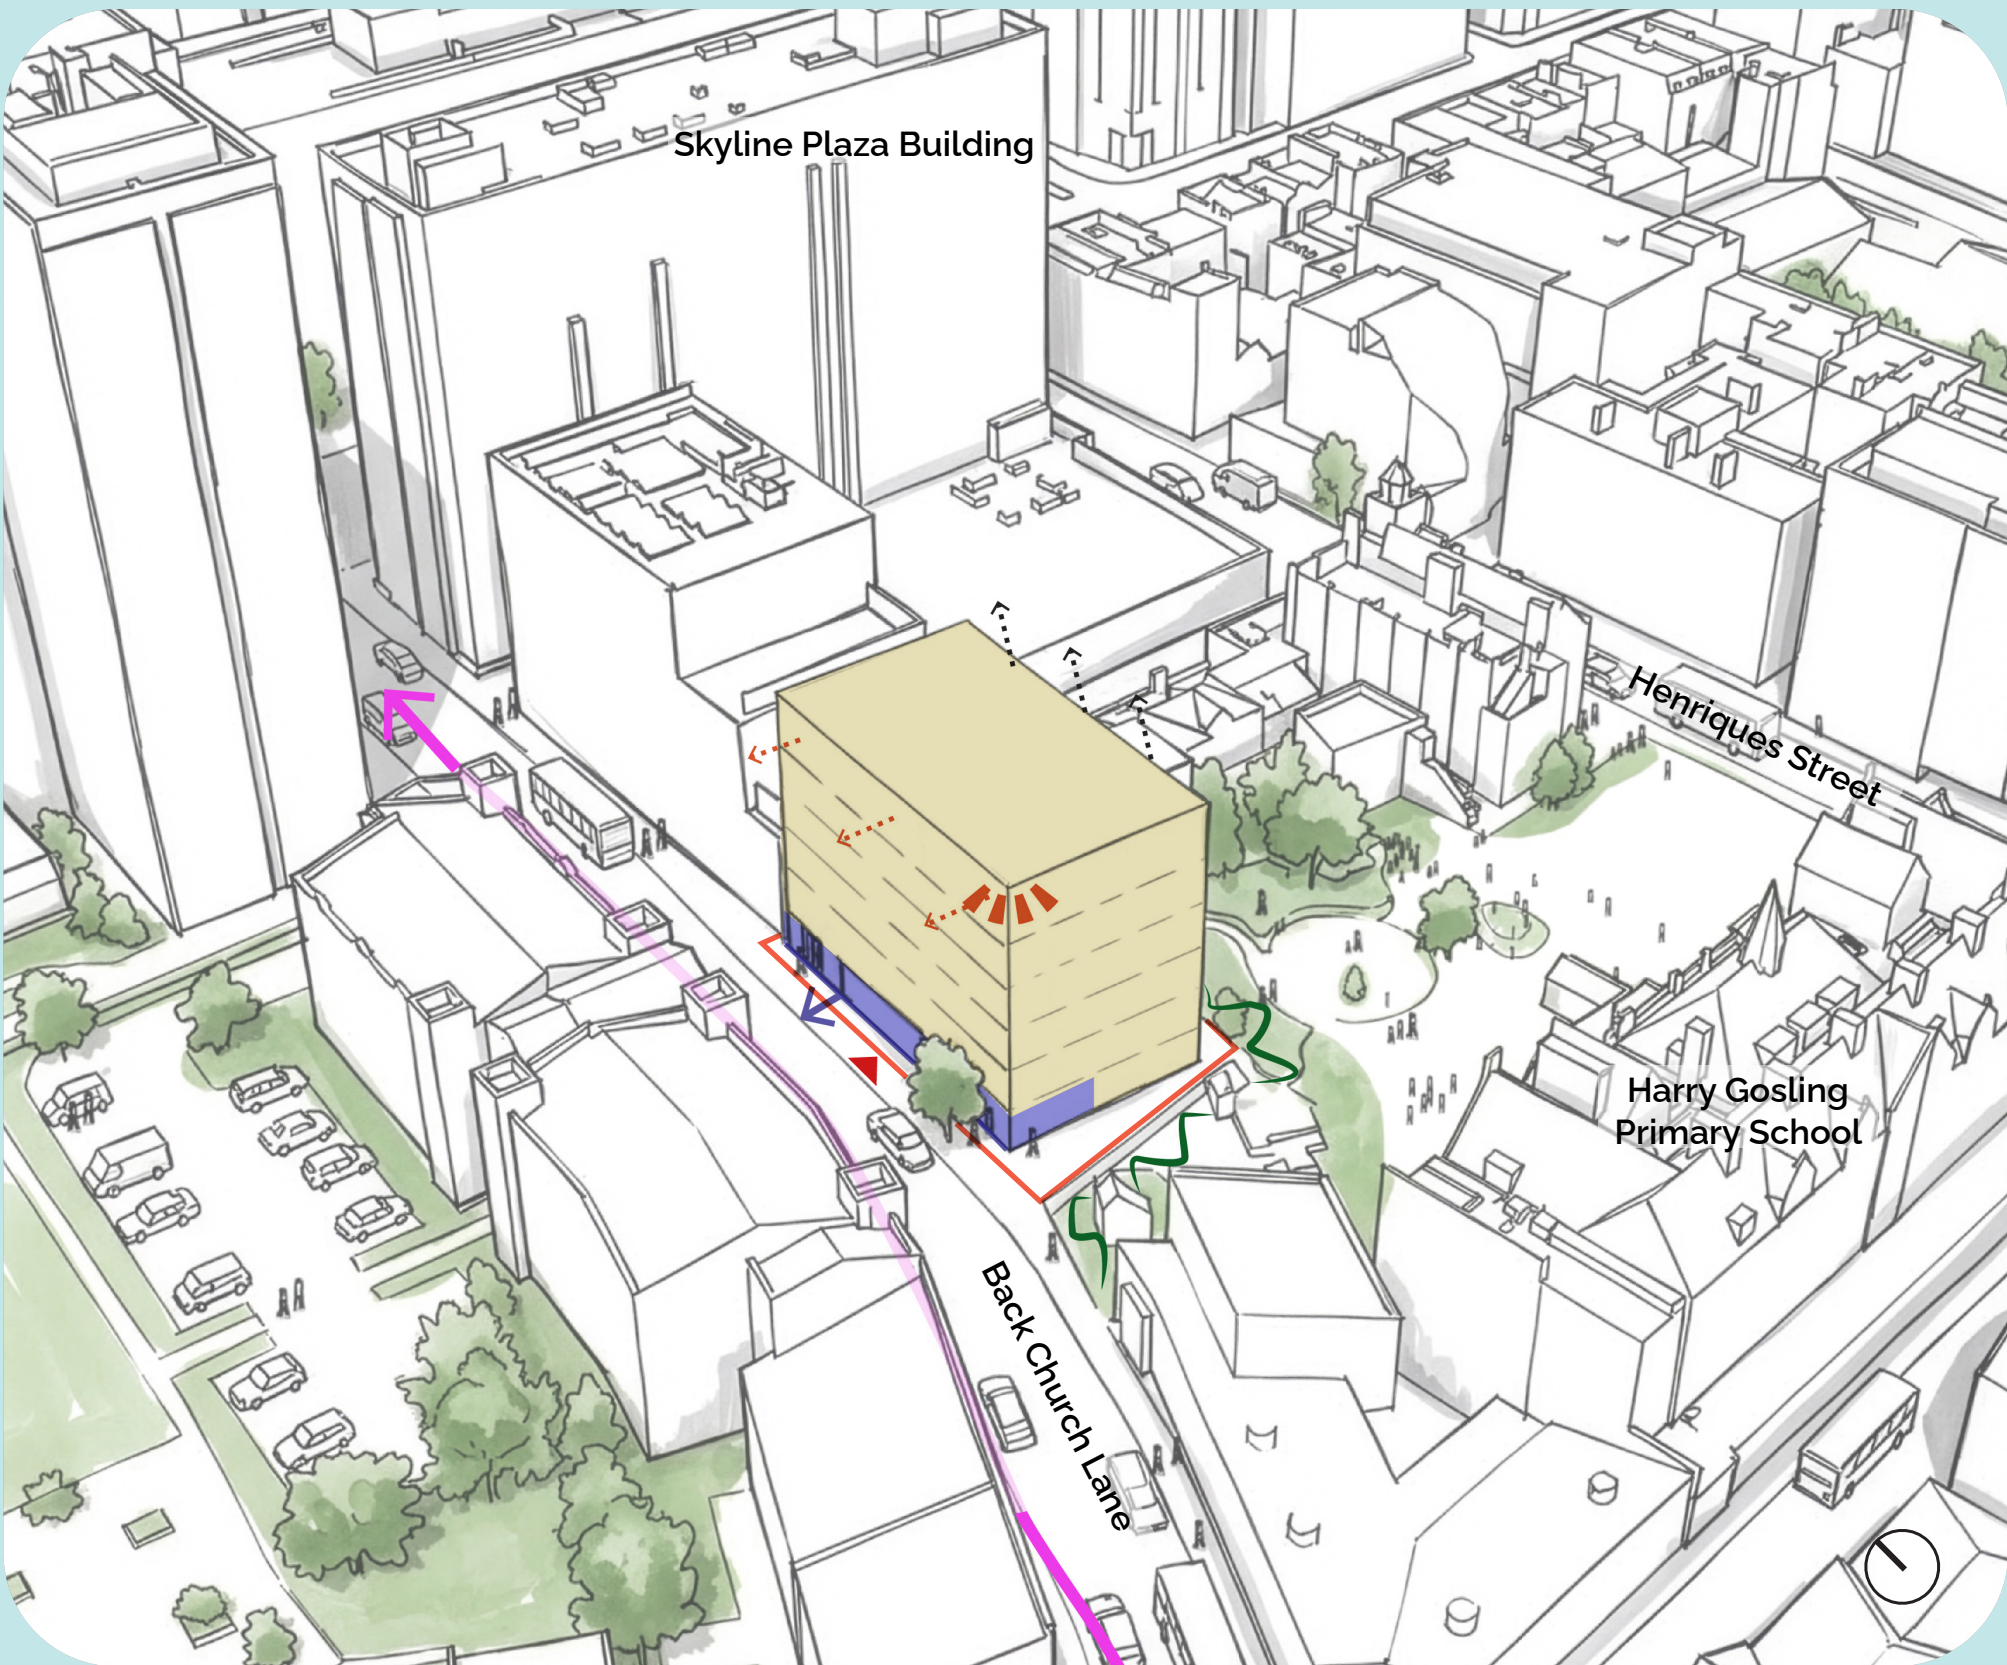

Opportunities and constraints

Key
Site boundary, Number of Storeys, Site Photo Position, Existing Tree (offsite)

Opportunities	Constraints
Pedestrian Crossing	Risk of Overlooking
Approximate Building footprint	Existing Tree (onsite)
Existing Building	Listed Building
Existing Tall Building	

Site scenario

Key
Communal Entrance, Main Aspect of apartments, Key Pedestrian Link, Activate the Street, Key Corner

The site provides an opportunity for family homes close to the city centre. The proximity to Harry Gosling Primary School is a key consideration and the design will seek to limit overlooking.
