

Albert Jacob House

Design Brief & Proposals

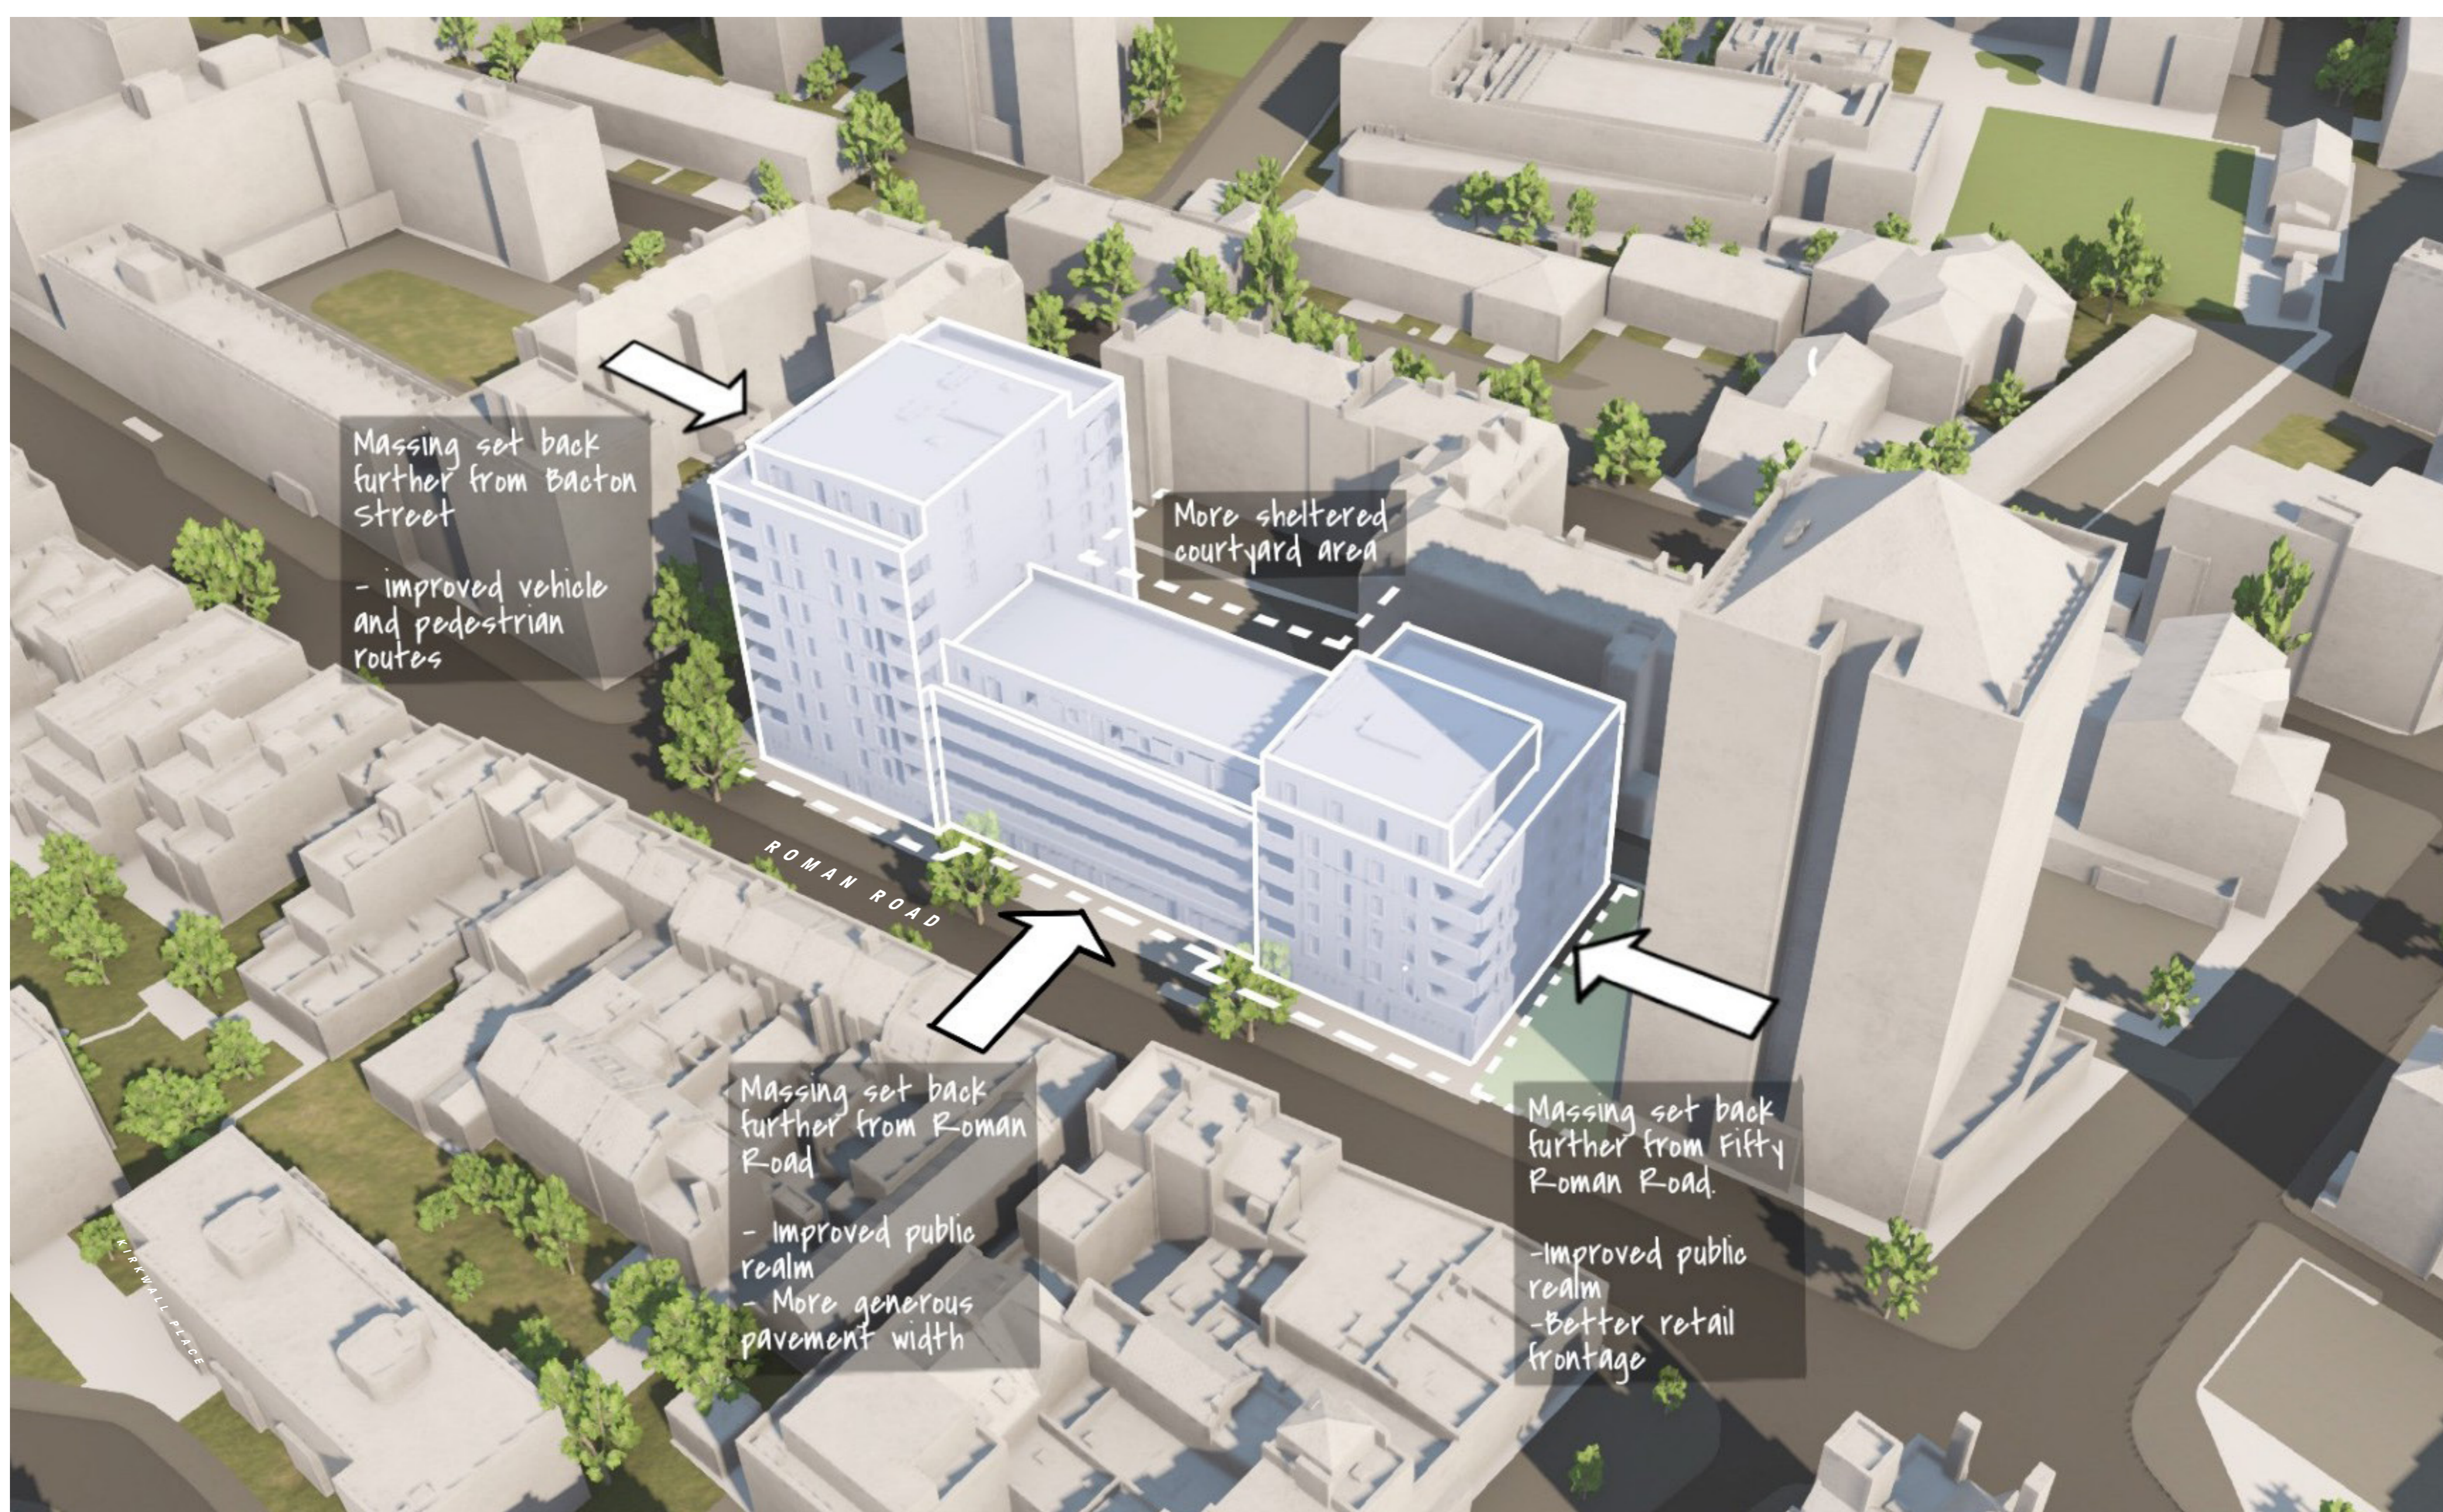

What are we proposing?

The proposals for Albert Jacob House comprise a part 9 storey, part 6 storey, part 5 storey building which will be predominantly residential with potential ground floor commercial use:

- 53 new, high-quality homes, including six suitable for wheelchair users
- All homes to be delivered as affordable housing
- New and improved open space and landscaping to the site, for future and neighbouring residents' enjoyment
- Improved street frontage
- Focus on meeting the council's Net Zero Carbon by 2025 target

Proposed massing as viewed from Roman Road, West.

Aerial view of the proposed massing and the changes that have been made since the last consultation.
